**WASTEWATER COLLECTION SYSTEM
ANNUAL PERFORMANCE REPORT
JANUARY 2025**

General Information:

Facility/System Name:	Town of Gamewell Wastewater Collection System
Responsible Entity:	Town of Gamewell
Person in Charge/Contact:	James Teague, Operator-in-Responsible-Charge (ORC)
Applicable Permit(s):	WQCS00313

Description of Collection System or Treatment Process:

The Town of Gamewell Wastewater Collection System has 186 sewer connections, 8.16 miles of gravity sewer, 0.14 miles of force main, and one duplex pump station. The Gamewell collection system is a satellite system to the City of Lenoir Wastewater Collection System (WQCS000035), and wastewater is treated by the City of Lenoir at the Lower Creek WWTP (NC0023981).

The Town of Gamewell Wastewater Collection System performance for period January 1, 2024, through December 31, 2024:

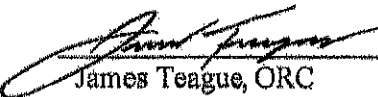

The system had no disruptions of service, no permit violations, and no illegal discharges. The entire system was inspected from above ground, high priority lines were checked twice, and easements were mowed. The generator had several repairs completed this year and will most likely be replaced in 2025.

Notification:

This report has been made available to users or customers of the system by having copies available at the Gamewell Town Hall, 2750 Old Morganton Road, Lenoir, NC 28645. This report is also being mailed to each user or customer.

Certifications:

I certify under penalty of law that this report is complete and accurate to the best of my knowledge.
